

This Week's Prayer Focus: Ashland
Week of: June 10, 2018

Location: First Presbyterian Church, Ashland

This year the Ashland Presbyterian Church would like to use our place in the Mission Yearbook to advocate for more Presbyterian Lay Pastors. We have been served for many years by retired ministers, lay pastors, and other speakers during our worship service and they are becoming harder to find. If you have ever considered becoming a lay pastor, please give it a try!
