

**This Week's Prayer Focus:** Independence  
**Week of:** June 17, 2018

**Location:** First Presbyterian Church, Independence

**Mission Focus:** First Presbyterian Church in Independence continues to be involved in supporting the CUFF (Churches United Feeding Friends) weekly community dinners and the Community Access Center which has various assistance programs to help the poor and vulnerable. In addition, the church continues to hold a free Drive-thru Flu Shots program where community folk drive through, get a free flu shot, and donate canned goods for the Community Access Center. Approximately sixty volunteers make this possible.

We have helped with the opening of two homeless shelters in our community, one for men and one for women. We recently started an outreach program to some of our community college students who have been attending worship. We continue each Christmas season to send boxes to the Operation Christmas Shoebox as well as send donations to the local Adopt-a-Family program,
