

This Week's Prayer Focus: Leoti

Week of: August 12, 2018

Location: First Presbyterian Church, Leoti

Mission Focus: This congregation supports the General Assembly offerings, helps with the local Blood Bank, furnishes bath supplies to the local long-term care home, supports the "shoebox," supports a child through the Children's Christian Fund, provides clothing and literature to a women's prison, conducts Bible classes and church services at the long-term care home, volunteers in the local Thrift Shop, provides Thanksgiving and Christmas baskets to the needy, provides funds to the high school band for music and sends valentines to the veterans. Each spring the church hosts a community dinner theatre sponsored by a local art association. This is a caring church family. They encourage each other to use their special gifts to help the church and the community. They are involved in a 3-church fellowship.

Prayer Request: Please pray to be united in love and Christ. Pray for the congregation's steadfastness in serving the community by the use of the church for special needs. Pray also that the members continue to share the gospel of Christ and be bold in their witness.
