

This Week's Prayer Focus: Zenith
Week of: September 2, 2018

Location: Zenith Presbyterian Church, Zenith

Mission: The ladies of Zenith Church are active in community, national and world missions. An active prayer chain is activated for not only church members but others in our area. Nursing home support is given through a bi-monthly coffee time for their residents. We host a popular community breakfast & program in the summer and participate with Western Reno County churches in observance of World Day of Prayer. Missions we support financially are *Live Like Jesus Today*, *Star of Hope*, *National Network of Youth Ministries*, *New Tribes Mission*, *Presbyterian Frontier Missions*, *World Vision*, *Cross World*, *Wycliffe Bible Translators*, a *Compassion International* child, and John & Gwen Haspels as well as two of their children, Heather & Habtom Kebede (affiliated w/Antioch Partners) and John T. John & Gwen have received support from our ladies and the church since they began their ministry in Africa, including Kenya and Ethiopia.

Prayer Request: How blessed we are to give our love and offer our prayers and financial support for such wonderful Christian people spreading our love for God to those who have never been touched by our Savior.
