

This Week's Prayer Focus: Korean Church
Week of: September 23, 2018

Location: Korean Presbyterian Church, Wichita

Mission Focus:

- 1) We are re-energizing the focus on Mission through cell activities in 2016. This year we are praying for every member of the church to participate in QT through the cell groups.
- 2) We are also praying for a new Youth/Children English Service. We pray for a Youth Pastor who can teach the Word to our children in English every Lord's day.

Answered Prayer:

Worship Service in English has been occurring each Sunday since November 2014. We thank God for sending us volunteers who has diligently translated pastor Kang's sermons. This experience has enabled us to incorporate English into our main service to help families whose first language is not Korean.

Contact: Pastor Sang Ouk Kang
