

This Week's Prayer Focus: Medicine Lodge
Week of: October 23, 2018

Location: First United Presbyterian Church, Medicine Lodge

Description: Our congregation consists of 12 members at this time and we do not have an installed pastor. We rely on pulpit supply.

Mission Focus: The congregation provides financial and staff time to the Community Food Bank. Help for the needy including lodging, utility bills, fuel, etc is provided through the members' work with the Medicine Lodge Ministerial Alliance. We also contribute to different missions that come up during the year such as earthquake victims, etc. Four times a month the congregation shares services with St. Mark's Episcopal Church alternating between our church and theirs. This has been a real blessing to both small churches. The First United Presbyterian Church of Medicine Lodge was started in 1884 and has continued over the years to serve the community in many ways.

Prayer Request: Please pray for strong leadership in the church.
