

This Week's Prayer Focus: Kingman

Week of: December 16, 2018

Location: First Presbyterian Church, Kingman

Mission Focus: First Presbyterian Church, as part of its mission, provides a home to the Kingman Area Ministerial Alliance food bank at no cost to the Alliance. The food bank feeds between 175-250 people a month in a county of approximately 9,000 people. It also provides utility and rent assistance. The Food Bank utilizes 25-30 volunteers from 9 area churches with four of them coming from our church. Our Pastor plays a major leadership role in the operation of this ministry.

Prayer Request: Like many small community churches, the members are looking for ways to expand the local mission in order to bring others to know the Good News of Jesus Christ.
