

This Week's Prayer Focus: Lakin

Week of: December 30, 2018

Location: First Presbyterian Church, Lakin

Mission Focus: We are one of three congregations on the High Plains of Kansas committed to a new model of ministry. As High Plains Presbyterian disciples we are moving from a membership church to a discipleship church sharing our talents to be disciples following Jesus and expecting to serve others. Our disciples are involved in missions to the community through monthly food gifts to the food pantry, yearly scholarships to college students, providing church service at our local assisted living and nursing home facility, providing transportation for those needing a ride to attend church, providing food baskets to local families for Thanksgiving, Christmas and Easter, as well as, participating in all of the mission giving opportunities through PC(USA). We support the local ministerial alliance, including their Lenten Soup and Sermon series. This may be a small church in a small community, but the members' hearts are big, and we have found that by working together, we can accomplish great things.
