

This Week's Prayer Focus: Arkansas City
Week of: January 29, 2017

Location: First Presbyterian Church, Arkansas City

Mission Focus: Sharing Jesus' Good News with each other and people in our community. Our meal ministry, Five Loaves, provides a hot meal to all who come on Tuesday evenings. Begun in January of 2008, as of January 2017 Five Loaves has provided meals to nearly 21,000 guests. Among many other ministries we support Heifer Project, the Salvation Army, and offer "small needs" emergency food baskets. Our deacons also adopt two families at Christmas, and send "cram boxes" to our college students twice a year.

Our Promise Kids ministry offers singing, fellowship, recreation, and an evening meal on Wednesdays. Promise Kids serves children between the ages of 5 & 12.

We have an excellent Adult Class on Sundays, and Men's Bible Study on Wednesday mornings. Worship services are broadcast live on KSOK radio, and our small-but-dedicated choir works hard and sings most Sundays. Our youth group for grades 7-12 is active and growing.

Prayer Request: Please pray for our congregation's striving for spiritual growth for ourselves, reintegrating members who have drifted away, and our outreach to the poor and disenfranchised in our community. Please pray for us, also, as we continue the process of searching for an installed pastor.
