

Location: First United Presbyterian Church, Medicine Lodge

Description: Our congregation consists of 10 members. We do not have an installed pastor

Mission Focus: Mission Focus: The church is the spiritual home for 10 members; nine of whom attend regularly and are committed to its continuing ministry. The tenth member is largely confined to her home, but never far from our thoughts and prayers. Four times a month the congregation shares services with St. Mark's Episcopal Church, alternating between the two small churches. The mission emphasis is in the local community, with annual donations for miscellaneous needs of elementary school children and needs of families through the Medicine Lodge Ministerial Alliance and the Salvation Army. We also contribute to Presbytery missions and disasters in the region.

Prayer Request: Please pray for strong leadership in the church.

Moderator: The Rev. Tom Sutter

Contact: Carol Bronson, Session clerk
