

**This Week's Prayer Focus:** Hopewell Church  
**Week of:** March 4, 2018

**Location:** Hopewell Presbyterian Church, Anthony

**Mission Focus:** Hopewell is not a church with a congregation; it is a "Church Family!" In the last 130 years through good times and bad, we have stuck together with the love of our Lord. We have found new growth, in our numbers, in the past year, with our Minister, Ken Davidson.

For years we at Hopewell are very loyal in helping with offerings for Peace, Christmas Joy, Pentecost, The Souper Bowl and One Great Hour of Sharing. We even help with our local food bank and thrift store, with donations of food, money and clothing. And when, at all possible, with the labor of our own hands.

Another mission that Hopewell is involved in is making quilts, with the help of the Harper Presbyterian Church. Quilts are made and delivered to Farmington Children's Home in Farmington, Missouri. Each child is able to keep the quilt for their own.

**Prayer Request:** Those of us who still remain to worship and serve the Lord, are very proud indeed of our heritage. We know full well it took much prayer, much courage and wisdom to keep this church going. Our hope and prayer is that we might leave a wonderful heritage for the next generation.
