

## CUBA 2019!!!

In October of 2016 two members of the Presbytery of Southern Kansas visited Cuba on behalf of the Presbyterian Church USA. On that trip they explored the potential for partnerships between our Presbytery and our churches with a Presbytery and churches in Cuba.

In February of 2018 four members of our Presbytery visited all of the churches in Presbytery del Centro as we narrowed down our focus for partnerships.

Now coming in 2019 the Presbytery of Southern Kansas will be sending down two teams to Cuba. The first group will go down February 22 of 2019. At this time, we are planning for a week-long visit, returning to the Wichita on March 1. We will visit churches (circled in blue) in Placetas, Iguara, Meneses, and Sancti Spiritus. Rev. Jeremiah Lange will be coordinating the trip.

We are hoping to send down a team of 5-8 people for the trip in February. You do not have to be able to speak Spanish!

The cost is \$1500 per person. Scholarships (full, partial, and negotiable) – are available through the Presbytery. \*For scholarship info please contact Skip Johnson at [revretired@gmail.com](mailto:revretired@gmail.com)
