## Churches of the Presbytery donated 238 (final count) disaster cleanup buckets for Presbyterian Disaster Assistance.

On March 4th, Steve Towns and Gary Hileman, First Presbyterian Church, Derby, delivered buckets to the warehouse at Ferncliff, Little Rock, AR. Each bucket contained the immediate needed cleanup supplies such as laundry soap, sponges, disinfectant, insect spray, gloves, etc. Thanks to all that made this Presbytery mission project such a success.

## Parks Presbyterian Church Youth

The congregation of Parks Presbyterian Church, Leoti was treated to a Valentine's Meal on Sunday, February 10. The youth served baked potatoes with a variety of toppings. Delicious desserts completed the meal. A free-will offering was collected to help support the youth activities throughout the year.

Following the meal, participants

participants were invited to join in a game of dominos or the board game *Sequence*. Earlier in the day the youth helped with the morning worship service. These included DW Baker, Lincoln and Ana Lamaster, and Tyrelle, Spenser, Katelyn, and Evv Thurman. Tracey Baker, youth leader, gave the morning message titled, *'Lamina', God's Glue*.

(L-R) Morgan Porter, Ryan Liddell, Nick Porter, Matthew Roesky, Nicholas Roesky, and Olivia Roesky.

In response to Westminster Woods Camp's plea for Bibles for its campers, **First Presbyterian Church, Coffeyville, youth** (small in number but HUGE in heart) decided to host a potato bar following worship on March 10<sup>th</sup>. **ONE HUNDRED** potatoes were sold and a check for **\$502.78** was sent to the camp!!

Saturday morning chapel at Sleep"less" In Sterling!

## Sleep"less" in Sterling

Have you ever had a casserole? If you grew up nearly ANYWHERE in the Midwest or have been within 150 feet of a church function, you have eaten a casserole! It is a concoction of ingredients which are perhaps of questionable "yumminess" when encountered in isolation, but become fabulously scrumptious when combined together, cooked, and served!

At Sleep "less" in Sterling this past weekend a whole mess of us "questionable ingredients" came together to learn all about the wonderful polymer-y (binding) cheesy goodness of the casserole of life together in Christ. God indeed has placed us in this world together and, much like the ingredients in a casserole, we are so much better together than we ever could be alone.

The two best things of a casserole are the cheesy gooeyness of the insides and the crispy crunchiness of the topping! Neither the goo or the crunchy is possible without the heat of the oven; the furnace of testing and difficulty. Sometimes it is the tough times together which can exponentially increase the deliciousness of life! Every casserole requires a binding agent to hold all the ingredients together. Although some might vote for Cream of Mushroom soup, the most important of all binding agents is the cheese (love) which fastens us together. When the heat comes, it is the cheese which permeates everything, which surrounds us, and binds the community together!

Don't forget to cheese your neighbor...to cheese yourself... to allow the "cheese" of Christ to permeate your entire existence!
