## "Soupbowl" Offering of Food Cambridge Presbyterian Church

**Wow!** As you can see from the photos at right, the front of The Cambridge Presbyterian Church was loaded with groceries. It took 30 minutes to count all the items. It appeared that the congregation collected 601 items plus \$120 for their church pantry.

So many items were collected that some items were shared with Joseph's Storehouse (Burden, KS). The generosity of the giving was tremendous! Pastor Kay reminded her church family that Jesus told all of us to "Feed the hungry." God also said "This is my son listen to him." Pastor Kay believes her congregants listened and she thanked them all on behalf of the hungry.

Thank you Lisa Braun for this information

## Welcome Baby Girl!

**You know how sometimes the impossible become possible?** On a whim, an email was sent to Dr. Rodger Nishioka

(of Montreat, Triennium, etc. fame) asking if he would travel to Sterling KS to be the speaker at Sleep "Less". It took the Youth Council members a few days to gather up all of the teeth they dropped upon hearing he said "YES!" Dr. Nishioka is the new director of Adult Ed. Ministries at Village Church, Prairie Village, KS. He previously served as the Benton Family Assoc. Professor of Christian Ed at Columbia Theological Seminary. Joe Wiseman

## Youth Council - 2016 Sleep "Less" In Sterling

On March 11<sup>th</sup>-13<sup>th</sup>, 2016 youth and adults from all over PSK descended for the annual PSKYC (Presbytery of Southern Kansas Youth Council) youth rally, *Sleep "Less" in Sterling!* Each and every Sleep "Less" is a fantastic and wonderful event,

but this year was especially fantastic! The theme for this year was, "#lovethyselfie", since God has always loved why shouldn't you love your selfie?" Dr. Nishioka led our worship times and delivered four very engaging, educational, and inspiring messages as he led us in exploring Ephesians 1:4 and other sections of scripture pertaining to the theme.

Reflecting Christ's impact through Dr. Nishioka, one 5<sup>th</sup> grade participant remarked, "I know exactly what I want to be when I grow up, I want to be a therapist because there are so many hurting people in the world who need to be loved and need to know that there is someone who cares about them to give them hope."

PSK Youth Council works so hard to put on Sleep "Less" in Sterling & Westminster Woods Work Weekend. These are spectacular events that foster spiritual and community growth. Do not miss these events! **Hey! Youth Leaders:** Sleep "Less" in Sterling is held EVERY YEAR at Spring Break and Westminster Woods Work Weekend is held EVERY YEAR in late November. Not only are these events incredibly fun and spiritually nourishing but they are also unbelievably simple and cheap ready-made plug-and-play youth events for your church!
