"Mini" mission projects for the Junior High Youth at Covenant Presbyterian Church

On June 24-25, the junior high youth from Covenant participated in a few "mini" mission projects in Wichita. They helped with Meals on Wheels, bought food for the Covenant Food Pantry, had conversation with HOT (WPD Homeless Outreach Team), and played Bingo at Presbyterian Manor. Thanks youth for your service!

FPC Arkansas City VBS this year was “Roar! Life is wild - God is good!” The week was spent talking about how God is Good, whether life is unfair, or scary, or it changes, or it’s sad, or good, God is ALWAYS good! Activities helped to reinforce the lessons, and the activities in the Sing & Play Roar, Safari Celebration, Imagination Station; Bible Discovery,

Kid Vid Cinema, Games and Crew time. This year kids collected an offering of school supplies that normally teachers have to purchase out of their own pockets for their classrooms. The kids and volunteers filled the bookcase with lots of goodies to be distributed to teachers.

Dinner was served to the children and volunteers again this year. The meals were really a hit and helped to keep the kids going through the evening. There were 50+ children who participated in VBS, and numerous adults and youth who volunteered their time to make this VBS come to life.

The FPC Arkansas City VBS was July 7-11. The VBS was held in conjunction with Central Christian Church, Arkansas City.
