

PSK Youth Council Report...Alley Lehman

On November 19-21st youth from all around Kansas joined together to clean up their favorite camp, Westminster Woods! With "Survivor" being this year's theme we talked a lot about the many trials we have experienced throughout our lives and how we "survived" them. Keynotes were given by youth council members, Alley Lehman, Amber Munsell, Skylar Blackburn, Christina Sledd, and Addie Steinbacher. Each shared a trail in their life and about their relationship with Christ. On Saturday, the campers were given an opportunity to have devotions in "the whale" and write down their struggles on a whale tale, and place them on the Wailing Wall where other campers could post notes of encouragement for them. The camp work stations included clearing brush from the trails, chopping firewood, raking leaves, performing cabin and dining hall maintenance, sanding chairs and pulling up carpet in the old chapel. Even though this was an exhausting weekend of hard work it was also a weekend with Jesus! There was an amazing attendance and it was really awesome to see so many of the campers ready to work! Thanks for all your help and support for W4!!
