## *Beautiful again! Brotherhood's Stained Glass Window*

Job done at Brotherhood ~ Work crew was Ken Coryell, Greg Parson & Mike Henesey

In November, a high wind blew out and shattered the glass of the top section of a two-section stained-glass window at Brotherhood Presbyterian Church. Mike Henesey, a stained-glass hobbyist and member at Derby Presbyterian, offered to restore it. Both window sections were removed and

a temporary plywood covering put over the opening. Mike removed the broken glass from the top window and restored it with new glass and lead. Ken Coryell reinforced and painted the wooden frames and re-glazed the glass in both windows. On January 14<sup>th</sup>, Mike and Ken with the assistance of Greg Parson, removed the plywood covering and re-installed the repaired windows.

Job done ~ upper window has all new glass. The bottom window is the original at Brotherhood
