

Pictured above is Miss Molly enjoying the newly completed **"God is Love" Gazebo** at Westminster Woods Camp. She is waiting for some campers to join her! Thanks to Kaleb Wheeler, WMW Camp has a beautiful new outdoor gathering area. The gazebo allows a comfortable space for a small group to gather for devotions, prayers, discussions, and meditation. Currently the gazebo is located on Cabin Road near Cabin #2. **Thank you Kaleb** for your creativity and devotion to WMW Camp.

My Sisters and Brothers:

Greetings to you all in the name of our Lord Jesus Christ!

It was very good to finally be among you in Sept and begin my ministry with you. It has been a bit of a whirlwind in getting my apartment unpacked and set up as well as the office. I was blessed to have Jenny here for an extra day to help with both. If you want to see all of the books divided by section and alphabetically by author, you best come quickly for a visit. It will never look this way again!

I have now met with the Church Orders Ministry Team and the Committee on Camping Ministry, as well as a few pastors. I am impressed by the enthusiasm that I have experienced. Both groups work for the betterment of our presbytery; even as the Committee on Camping Ministry works to develop their own 501c3 corporation and entity.

In Sept my visits among you began in earnest. I want to hear your stories, check on your health, and the health of your congregation. When I call I hope that you will say "yes" to my invitation. I have received several invitations to preach in our churches; I am very much looking forward to this.

It is my prayer that we can walk more closely together as we seek to do the work of God in our section of Kansas. It is my prayer that we will begin to see the bigger picture when it comes to our mission efforts. It is my prayer that we will learn even more to value and support the work of our Pastoral colleagues and their congregations; thus being instruments of help and strength.

I can see this happening!
Blessings,
Mike

NOAH'S ARK PROJECT

Mt. Vernon Presbyterian Church recently undertook a project that started as a simple Sunday School lesson.

The kids were learning about Noah and decided that they would bring gently used stuffed animals to place in a "handmade" Noah's Ark.

To say that this project exceeded our expectations is an understatement!

Our friends at the YWCA Crisis Center were ecstatic when we delivered **201 animals!** They were able to share with two other organizations...including the Wichita Police Department's Teddy Bear drive.
