

Summer 2010: Serving Others

Cambridge Presbyterian Church welcomed 24 children to their **VBS** and a “Water Park” theme. The outside games were all water oriented. The children enjoyed all of these activities and yes, they did get wet. Each child was given a DVD of the VBS pictures including a “close up shot” of each child.

Proud of Being Presbyterian

by Bob Wyman

I have been Presbyterian for all seventy-seven years of my life, but never as proud as I am after attending the General Assembly this summer in Minneapolis.

The theme was “From Out of the Believer’s Heart Shall Flow Rivers of Living Water”. (John 7:37-39) When we look at the context of these words of Jesus, they are spoken in the Spirit of Jesus’ distinguishing His authority from that of the Pharisees and Chief Priests. And it is all about “right judgment”.

The major goal of the General Assembly is to arrive at, i.e. engender, the Mind of Christ on the issues God has brought before us and the world in which we live out our discipleship. How that is accomplished requires a highly disciplined process which respects individual conscience in the community of Believers, formed by and animated by Holy Spirit. That respect and process was impeccable.

The spirit of this community of Believers was intensely focused and a joyful celebration of God’s overflowing grace. Expect it. Live out of it and be opened to Him as Jesus Christ comes to us in community.

**Summer 2010:
Serving Others**

The offering from the Presbytery Meeting, June 15, 2010, was donated to the **Kansas Food Bank**. PSK received a note from Brian Walker, President and CEO of the Food Bank thanking PSK for their support in helping to fight hunger for the many Kansans who struggle to put food on the family table. He reminds, in his note, that while you might be deciding where to vacation, those in need are wondering if there will ever be a vacation from the hunger they experience.
