Grace Presbyterian Church – Laundry Love

(PSK Evangelism Grant)

Presentation to PSK on August 11, 2015

by Pastor Catherine Neelly Burton

In 2014 Grace received a PSK Evangelism Grant for \$6,000 to begin a new evangelism project – Laundry Love. Laundry Love is a national grass roots program that partners with a group (Grace) to take on

paying for laundry services the same time each month for the patrons of a certain laundromat.

After visiting various locations, Grace landed at College Town Laundry located by the WSU Campus. Grace found out laundromat services are expensive! The location of the laundromat meant

that the people being served were low income families from the neighborhood and WSU international college students. Through trial/error modifications were needed as this mission ministry progressed. Grace found that 10 people working a 1.25 hour shift was best for them. They offer cookies, play games with kids, invite prayer requests & share the church's business cards. What started out slowly in March 2015 (serving about 22 people) really expanded in June (serving 36 people) and the decision was made that beginning in Sept hours of service will be lengthened – one Sunday per month from 2:30 – 5:00 p.m.
