See You In Detroit!!

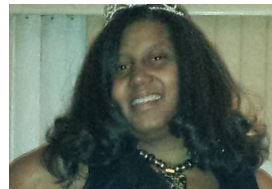

ALL ROADS LEAD TO DETROIT, MICHIGAN!! Calling all Young Adult Women ages 26 to 40. We're getting together in Jesus' Name at the Marriott Detroit at the Renaissance Center Hotel. We'll kick things off on Monday morning with an Information fair at the hotel from 9:00 a.m. - 12 noon. We'll have presenters in the area of finance, healthcare, education, and employment.

We'll have a fellowship together Monday evening with a meet and greet where we will partake of some refreshments and get acquainted with new attendees and reacquainted with old friends.

We will take the opportunity to minister to a local organiza-

tion serving women who have lost their way with substance abuse and have found a way back with Heartline, Inc. We ask that you contribute funds to our department's donation to the organization. You can learn more about them at <http://www.mhweb.org/wayne/>

Young Adults Are Great Stewards

Hey Young Adult Women we have had a fantastic year so far. Shout out to our Detroit family, Rev. Dr. James C. Perkins, and Greater Christ Baptist Church. They hosted our annual Young Adult Financial Empowerment Summit in March, 2014 and it was a rousing success. We learned a great deal about how to take care of blessings God has entrusted to us and how to secure our financial future. If you

seek information from the seminar, see us at the annual session.

In other news, we are looking for your support of our annual budget. I am asking all of our officers and members to support our department's budget with a **contribution of \$25.00 per person**. You can pay your representation at Registration. Make sure you inform the registration clerks that your money is to be credited to the Young Adult Women.

Also, when your churches pay their representation, please ask your pastors to allot a portion of their representation to the Young Adult Women's Department specifically.

Finally, we want to be a financial blessing to Heartline when we visit. Please come prepared to support our missions effort with a contribution to add to our monetary donation to them.

We're handling God's business!

Sis. Maria R. Owens invites you to become part of our Department. We are all excited about our department and the opportunity to work with you in our ministry.

Our department provides national outreach ministry opportunities, spirit-filled fellowship experiences, practical workshops and seminars catering to the needs of our members, and support of our local churches and state conventions. Make it your business to share with us. We'll make our business to make you glad you did!
