Today is the second Wednesday of the month, which can only mean one thing: Prayer Service! Join us at Radiant at 7:00 pm for a night of prayer, worship, and baptisms. Kids will have their own prayer services in their normal Sunday classrooms.

If you're unable to join us tonight, take ten minutes at home to pray with your family. Go a little bit deeper with your kids than you would on a normal night. Make a list of things you want to pray for. Remember to include family, friends, teachers, pastors, and government leaders. This is also a great time to pray for missionaries who are teaching people all over the world about Jesus. Have each member of your family take turns praying for one another.

This month we are focusing on obedience, and this week we are learning that surrender is part of obedience. Surrender can be a hard concept to learn because no one likes giving up something they want! There are times when it's important to surrender what we want and/or need. Answer these discussion questions about the topic: 1) Have you ever been in a situation when you had to surrender? (examples: choosing to give in when fighting with a sibling, giving your teacher something you shouldn't have had in class) 2) Have you ever had to surrender something to someone when you didn't want to? 3) What are some things in your life that you need to surrender to God?

After your conversation, read Job 11:13-15. Talk with your family about what it means to surrender your heart. If we do what the bible says in verses 13 and 14, verse 15 says that we will be unashamed, confident, and fearless. Even though surrendering can be hard, God has a promise that He will fulfill if we are willing to give of ourselves. Pray with your family and ask God to help you fully devote yourselves to Him.
