Adopt
a Pastor

**** Pastor Pedro is in need of partial support. Would you consider supporting? \$25 Partial support****

Prayer Items: They were going to tear down their home and build one with higher walls so the neighbors wouldn't be bothered so much. In 2018, Pastor José Rivera talked him out of it as it would tear his family apart. They are back looking at land. The church has split two times but is on good ground with the group they have now.
