Adopt  
a Pastor

**Comments:** “When I came to Christ, I came as a dead man spiritually (Eph 2:1). Satan had robbed me of my sense of morals - or right and wrong. But, at 20 years of age, a friend invited me to church and I heard the message of the Good News and I accepted the Lord. The Holy Spirit began to change my life and I was disciplined in the church. I am a new creature in Christ Jesus.” Pablo and his wife have 4 children and have been in ministry since 2005. The pastoral home in which they live is very humble with aluminum walls and roof and a dirt floor. Their ministry at the church consists of preaching and teaching, visiting the sick and those in prison, teaching the youth & children and door-to-door evangelism.
