**\*\* Pastor Holmen is in need of partial support. Would you consider supporting? \$25 Partial support\*\***

**Prayer Items:** Daughter Madeling has pain in her feet from unknown origin. Maria is pregnant with their second child. Great-great-grandmother came to know Christ. Pastor Holmen and his family have a farm. They grow rice, wheat and Jamaica along with raising pigs and chickens. They are praying for a good harvest this year. It's been very hard previously. In December 2016 Pastor Holmen lost the tip of his finger in a motorcycle accident. He worked with other pastors for Bible Day Celebration (the anniversary of the Bible translation into Spanish), had a parade and gave out 1,000 Bibles in this united campaign. Maria has returned home from picking coffee in Costa Rica. They are building an addition to their home to host guests. They were able to purchase a motorcycle for \$300, feel very blessed.
