Prayer Items: Were renting a house but had problems with the landlord. They are now living in a house that is under construction. The land was given to them by a church member. Leondro has been a pastor here for eight years. They came to a divided church and have had many battles. They still deal with things as a result of this. As a church, they went on a mission trip during Holy Week 2018. All of their children love and serve the Lord.
