Comments: Although he initially accepted Christ as a 17-year-old, he fell away from the Lord but promised Him that he would serve when he reached 40 years of age. God was merciful and allowed him to live his life as such, but he always remembered his promise to God. At 40, he repented and started a work with young people, then with men, then he began working at an evangelist, and now, he was given the gift of pastoring a church plant in a remote area. He and his wife and one other believer began the work in 2008 and now they are growing and have 30 adult members and they minister to more than 49 children every week.

Lucia's Testimony: I grew up in an evangelical home. My grandmother instructed me in the ways of the Lord and I gave my life to Jesus at a young age.
