About RCA Integrity

Beginning in February of 2006, a number of RCA pastors began praying and planning for a new movement in the RCA that would promote biblical truth and grace. Over the next several months, many conversations took place in attempt to shape the direction of the group and draft a covenant that would encapsulate our convictions. We held our first planning meeting in September. In January 2007 the Steering Committee met to pray together, revise the covenant, and strategize for the future. On March 8th, 2007, the Steering Committee unanimously approved the **Covenant for Integrity in the RCA** and the **Foundational Principles** document. In so doing, the Steering Committee officially launched RCA Integrity. They then appointed an Executive Committee to carry the work of renewal and reformation forward.

Most recently, RCA Integrity has been working to connect a grassroots community of like-minded ministers. Beginning in 2010, we launched what we believe will be at the heart of this renewal community, our annual leadership conference. This day-and-a-half experience is a time for celebrating the Gospel, seeking local church renewal, encouraging new partnerships and learning from some of the leading voices in the Reformed and evangelical world. We pray these times together will ignite a fresh passion for biblical truth and inspire strategic partnerships.

It is our prayer that God will bless our humble efforts for the good of His church and the glory of His Name.
