PICK 3
Worship • Learn • Serve

Last year’s Pick 3 ministry model was a great success in helping us become a disciple-making church! We believe that Worship, Discipleship, and Serving are essential elements for a growing disciple of Jesus. It is our desire for every person who attends our church to be growing in these three areas. Because this is so important we have structured our church to provide the following opportunities to help you grow as a disciple of Jesus:

♦ We offer three worship services you can choose from to encourage you and your family to grow in worship. Sundays at 7:30 a.m., 8:45 a.m., 11:00 a.m.
♦ We offer Sunday School classes at 10:15 a.m. for all ages and Connect Groups which meet on Sunday evenings and weekday evenings for adults to grow in their discipleship. (We also offer Connect Groups for High School students – they meet at various times)
♦ We offer many opportunities where you can put your faith into action by serving within the church.

It is time once again for our church to sign up for Pick 3. This year our Pick 3 sign-up days will be on Sunday, March 15th, 22nd, & 29th. When you sign up, you will be guided by a Pick 3 assistant that will help schedule you and answer any questions that you might have. We will be scheduling adults to serve in all of our Sunday morning ministry areas for the months of June 2014 – May 2015.

So, here are some questions for you and your family to think through before our sign-up Sundays begin:

♦ Which worship service will you and your family attend?
♦ What Sunday School class(es) or Connect Group(s) will you attend?
♦ What ministry area(s) will each of you serve in and what time slot?
  ♦ Worship 1 – 7:30 a.m.
  ♦ Worship 2 – 8:45 a.m.
  ♦ Sunday School – 10:15 a.m.
  ♦ Worship 3 – 11:00 a.m.
♦ How many months do you want to commit to serving?

We are seeing God bless our church with new faces almost every Sunday and we want to do our best to provide opportunities for each person to grow in Worship, Discipleship, and Service!

Please be praying for direction during the next 2 weeks about where God has prepared you in advance to serve in His Church.

We will also have sign up for our Connection Ministries on the above dates as well. Please stop by the Pick 3 Sign-up area and see how you can serve.

### A Life of Value

I read an interesting article about Albert Einstein’s last days, written by James Clear of *Business Insider*. The last seven years of Einstein’s life was a painful time in which he suffered from an abdominal aortic aneurysm. During that time, he often had bouts of severe discomfort and vomiting. Yet through his pain, he continued working. In fact on the day of his death while in the hospital, he was working on a speech that he was supposed to deliver on Israeli television. Einstein’s work-ethic and outlook on life can be summed up by one of his famous quotes: "Try not to become a man of success. Rather become a man of value."

Albert Einstein’s contribution to science added great value to the world. We who are Christians have an even greater opportunity to add value to our world. The greatest contribution we can make to the world is leading people to Jesus. Throughout history, the message of Jesus has brought civilization to barbaric cultures and promoted great societal advancements. Every person that is truly converted to Christ -- if they take their commitment seriously -- will become a better spouse, a better parent and a better citizen. Just by leading one person to Christ, we can change an entire family tree, breaking generational cycles of abuse and addiction.

These are the reasons why Red Brush Christian Church will kick off her fifth evangelistic campaign this summer. June will be the month where we will need the most volunteers. We will be canvassing Flora and Sailor Springs. In this phase, we will take a simple survey to the residents of those communities. To be involved does not require skill, but it does require courage. Jesus calls us to bear fruit; to win the world with love. In other words, He calls us to live lives of value. I pray that you will join in adding value to our communities.

### Congratulations & Welcome to the Family!

We’re happy to report that our Red Brush Family just keeps on growing. On February 1st, José Sorto, a man from our Hispanic Ministry, was baptized into Christ. What a neat experience to be able to hear his confession of faith professed in Spanish. Then, on February 8th, Ryan & Terah Jo Waterman transferred their memberships. Terah Jo is Tyler Mulvany’s sister. We are happy to have her & Ryan serving with us at Red Brush. On Valentine’s Day, we were privileged to witness the baptisms of Tilda Carleycke & Kelsey Franciscoovich. Tilda is Wade & Stephanie Harrison’s foreign exchange daughter. Kelsey is one of Lisa Jone’s girls. That same day, Alice Robinson transferred her membership to the Red Brush family. Then, Kevin Billingsley was baptized on February 22nd. Congratulations to each & every one of you. We are so excited to have you as part of the RBCC family! Welcome!

MARCH is LOVE MONTH

CIY has always been a spiritually challenging week for our students to assess where they’re at in their faith and what next step God is calling them to. We enjoy seeing our students grow together through this week. To raise support for our trip, they’ll be doing a few different fundraisers.

March 22nd we will have a Trivia Night. We had a blast last year at our trivia night and are excited to have this event again. Start organizing your team of 8 people for this awesome evening of useless facts and random information. Tickets are on sale now at the Spotlight Counter in the foyer.

During the month of March we will be offering our Odd Jobs Campaign. If you have spring cleaning or organization then we have students who are ready to help. We will rake leaves, clean gutters, wash windows, vacuum cars, babysit or any other odd job you’re needing done. If you’d like to support the students in this way, you can fill out an odd job request form at the Spotlight Counter in the Foyer.

Thank You for your past support of these events. Please mark your calendars & consider getting involved in supporting this trip. Thanks!
