

The Food Pantry needs your support to reach out to our hungry and hurting neighbors. You can help by...

- **Praying for us!** Pray for the needs of our patrons, the compassion of our volunteers, and for the needed groceries and funds to keep the pantry open.
 - **Providing groceries!** Think of the Food Pantry the next time you are at the grocery store and use this shopping list as a reference for needed items. Then drop off your donation in the shopping cart outside the Pantry.
 - **Volunteering!** If you are interested in serving in the caring ministry, contact Marla or Dick Demien (chf614@wi.rr.com) for information on volunteer needs.
