**Opportunities to Help Our Preschool** - A yearly task that goes quickly with more hands is sanitizing toys. Andrea has scheduled **May 23rd, 1:00pm** as the first window of toy-cleaning at church. Helpers can count on meeting again Friday (and Saturday if need be) at 9:00am. Let's get those toys ready to go for next year!

**Bulk Order: *Prepared to Answer* (NPH)** - Many who question the Christian faith are coming from a place of hurt, confusion, and even anger. Their energy can funnel down into some core questions that if *you don't answer then you won't convert me!* Mark Paustian, a professor at our own Martin Luther College, seeks to reach through these questions to touch lives with the truths of the gospel and the eternal Word of God in contemporary terms.

At Redeemer we have a chance to take this resource and apply it to our lives directly and immediately with a bulk-order rate offered by NPH. Take a look at the sign-up sheet in the hallway by the church office and join us in the mission of equipping as many Redeemer members with good answers to tough questions. If you have any questions about the resource or the subject in general, please give Pastor a call or text at 262-204-8027.

**New Meditations Copies** - The latest installment (June 2 - August 31) of *Meditations: Daily Devotional* is available in the church narthex. Come grab your free copy today!
