

## WAYS TO GIVE TO THE MINISTRIES OF REDEEMER LUTHERAN CHURCH

The ministries of Redeemer Lutheran Church are many and varied. Thank you for contributing your time, talents, and treasure to make them happen!

All of these ministries require our financial commitment. There are several ways to make contributions toward our ministries. You can:

1. **NEW:** Give regularly through SIMPLY GIVING® through Thrivent. Go to Redeemer's web site and sign up for regular withdrawals from your account or one of the other options offered through SIMPLY GIVING®.\*
2. Contact your bank and ask about using “bill pay” to make regular transfers to Redeemer from your checking or savings account.
3. Continue to give your offering in the offering plate. (Using your envelopes makes life easier for the counters.)

We appreciate your financial commitment to God's work through Redeemer, no matter which option you choose.

THANK YOU!

\* Minimal transaction fees apply, but are offset by the benefits of convenience for givers and consistent giving for the church. Using your bank account has lower fees than using a card.
