Instructions: This form can help you pull out the tools from your toolbox, and to take an inventory of what God has given you. These are the unique ways God has gifted you to serve. Find some quiet time when you might prayerfully complete the following. If you have never identified your spiritual gifts, start by completing an inventory to help you do so. DO NOT simply write down what you're already doing at church. Use this as an opportunity to discover what God's placed in your toolbox. If some part is unclear to you, simply skip it.
