Highlights in May...

PASTORAL CHANGE ANNOUNCEMENT:
When we aim to be faithful to Jesus, we are called at times to step out of the boat like Peter, make a change or move and go where God sends us. In our United Methodist system, congregations are asked to receive and serve with new ministers, and ordained ministers commit to serve whenever and wherever we are sent. On Sunday, April 30, I announced that Stephanie and I will be appointed to serve at Oak Hill United Methodist Church in Morganton. Our last Sunday at Rehobeth will be July 2nd, and we will move on July 5th.
We have been honored and blessed to serve with you, and we pray God will bless you and your new pastor, Rev. Richard Marson, who is coming to Rehobeth from the N. Georgia Conference. We trust God’s wisdom and grace to guide and bless us all through this time of transition and new ministry in Christ’s Kingdom.
~ Paul & Stephanie McClure

The Palmer Hodgin Memorial Golf Tournament is scheduled for Saturday, May 13, at the Holly Ridge Golf Course in Archdale, NC. Please refer to the brochures around the church, or contact Derek Carson or Brian Owen for details. They are looking for teams, players and prizes. This is our biggest fundraiser every year for the Family Life Center. A portion of the proceeds also goes to the college fund for Palmer & Tara’s 5 year old daughter, Rowyn.

New Groups Beginning:

**YOUNGER ADULT GATHERING TIME**: If you’re a pre-college, college, or post college young adult and interested in a "contemporary" style learning about Methodism and church revival, please join us for a small group gathering time starting May 7, following the NLW service. We will meet in the McCuiston Room (Upstairs FLC). No advance knowledge needed as we will be covering the early Methodist principles that guide us today in our worship and service of Jesus Christ. Hope to see you May 7. ~ Ken Moser

**WESLEY-BASED SMALL GROUP**: I will finally start a Wesley-based small group on Thursday, May 11, 6:00pm at my house. Do come for soup and round table discussion on issues like how it is with our souls. Let me know if you can come. 336-674-7330. ~ Joan Landreth

Note of Thanks...

Thank you so much for helping my family through a very difficult time. ~ David Blackwood & family

Health & Wellness Corner...

Don't procrastinate... the lesson today is don't procrastinate... I picked this topic because the deadline for this article is today and I have procrastinated writing it because I didn't have a topic.... sigh. Procrastination is one big character flaw. I put things off. I don’t return library books on time. Earlier in this column, I confessed to putting off dental work for, well, YEARS. I even got a ticket for putting off renewing my driver’s license one year. And I can put off going on a diet for a year’s worth of Mondays!! Point is, it's a flaw... but one that I am trying to work on. I discovered that the anxiety and guilt that invariably accompany procrastination are worse than just DOING whatever needs doing! Procrastination feeds on itself... if you stop feeding it, you can eliminate it. I am trying to make a list of current and upcoming projects and then work on each of them a little bit at a time... seeing some progress motivates me to do a little more. So! What are you putting off? Need to call for an appointment with your doctor? Need to return a library book or the neighbor's weed eater? Need to mend a fence between you and someone else? Whatever it is, resolve to do it and remember Philippians 4:13-“I can do everything through Him who gives me strength”. Now I've gotta go put the clothes in the dryer... I put it off last night..... sigh.
