

## Our Mission

Our Mother's Day Out program is a ministry of Ridgedale Baptist Church in support of moms and dads with young children. We desire to care for and teach your child, demonstrating the love of Jesus Christ, while allowing you the opportunity to work, run errands, take a class, or just catch your breath.

"I love how each and every one of the teachers interact with my children whether they are in their class or not. They always make you feel welcome. The amount of stuff my children learn from Ridgedale MDO from Jesus to ABCs to 123s blows me away each and every day I pick them up!"

-Misty Barkow

Where a child's heart can be touched by God's love and lasting friendship

5632 Nickle Rd  
Knoxville, TN 37921

Ridgedale Baptist Church is conveniently located directly off of Western Avenue approximately 3 miles from Interstate 640 and 9 miles from Oak Ridge.

"The staff is loving and professional, and the curriculum is age-appropriate. My son adores the teachers, and his vocabulary has tripled since he started attending. I would recommend this program to anyone!"

-Kelley Griffin

## About Us

Our program offers a wonderful opportunity for your child to learn and socialize two days a week in a safe and enriching preschool environment. Classes are age-segregated to ensure your child's education is developmentally appropriate. Monthly calendars are sent home so you are always aware of what your child is learning. Our teachers are caring individuals who love the Lord and believe that working with children is truly their calling. At our program, your child will be given the freedom to grow and learn in an environment balanced with enough guidance and structure for each child to feel secure.

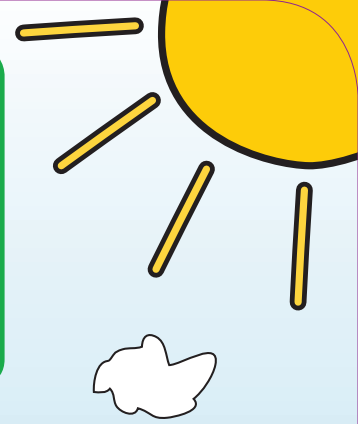

## Activities

Your child will enjoy our program with activities that are chosen to provide enriching and exciting learning opportunities. Your child's class will follow a daily schedule that includes Bible lesson, learning time, arts & crafts, music, story time, and group play. When weather permits, your child will enjoy playing on our playground, and in the summertime, your child will participate in our Summer Fun Days, which include water day, bike day, and field day. At our program, we believe in the value of structure without stifling a child's imagination, creating the perfect environment for your child to learn and grow.

## Why Choose Us?

We believe children develop their values at a very early age. Because of such, we provide a Christian educational learning environment that will help your child acquire not only basic skills and learning fundamentals, but also an understanding of the love of Jesus Christ.
