2018 Director & Assistant Director

Megan Reed & Mandy Blake

Ridgway's Summer Program is a program specifically designed to create an alternative child care option for parents who are seeking a program that envelops the arts, agriculture, cooking, nutritional classes, athletic education, and academics.

Ridgway's Summer Program provides a fun, safe, and encouraging environment to children. It promotes academics, and encourages creative thinking to keep childrens' minds active and engaged in learning, team building, and socialization during the summer months.
