### Food For Thought

For the Week of November 23, 2014

(Questions and Scriptures for further study)

#### QUICK REVIEW

1. If someone asked you what were the two most interesting ideas, concepts or principles about this weekend's message, what would you tell them?

#### THANKFULNESS

2. There are many times when my prayers are more like "shopping lists" than a real conversation with God. What has God been doing recently you are thankful for?

3. *I am going to tell \_\_\_\_\_ this week how thankful I am for them. And I'll tell them why.*

## INTO THE BIBLE

4. This week we highlighted how salvation belongs to the Lord. If we aren't careful, we can think of salvation as a "one time" process. But the truth is, salvation is an ongoing process. Instead of thinking of it as "we were saved once," we should think "we are *being* saved." Read the following verses:

1 Corinthians 1:18-25

2 Corinthians 2:14-17

Why do you think Paul uses the phrase "being saved" in both references?

In what ways have you matured in your faith since being saved?

5. Because of salvation, we are immediately a new creation in Christ (check out 2 Corinthians 5:17). One main reason we are new is because in our old lives we did not have the presence of the Holy Spirit but since trusting in Christ, now we do. Galatians tells us there is fruit of the Spirit we will experience.

Which of the following would a friend say is true of you?

Love	Joy	Peace
Patience	Kindness	Goodness
Faithfulness	Gentleness	Self-Control

\*To experience the fruit of the Spirit, do not try to be, for example, "more peaceful". Rather, draw near to God and get to know Him and the power of His presence. The fruit of the Spirit will then become evident in all areas of your life.
