Food For Thought

For the Week of August 2, 2015
(Questions and Scriptures for Further Study)

PERSONAL STUDY

This week's Bible study is reading through the book of Acts. As you read this week, focus your prayers for the Church in today's culture. Use the 4 questions below each time you read, and use the question that follows the reading at the end of the week.

4 Bible Study Questions

Here are four basic questions to ask after you read each story:

1. What does this story say about God?
2. What does this story say about fallen man?
3. Who/What do I relate to in this story?
4. What might the Holy Spirit be telling me?
