Into the Bible

3. Justification is defined as an instantaneous legal act of God in which he (1) thinks of our sins as forgiven and Christ's righteousness as belonging to us, and (2) declares us to be righteous in his sight.

Why is "justification" central to our understanding of our relationship with God?

4. Read Galatians 2:15-21. If we are not saved or justified by our works, why should we do good works?

5. If a non-Christian friend asked you what it means to be "crucified with Christ", how would you explain it to them?

6. Read Titus 3. Paul is reminding believers to live out their faith in the culture and with fellow believers. If you were writing to believers today, what would you remind them of?

Sermon Application

7. How does Paul's teaching about justification enrich your time with God in a personal quiet time?

8. Memorize Romans 5:1 – "Therefore, since we have been justified by faith, we have peace with God through our Lord Jesus Christ."
