"Integrity: Being The Person God Wants You To Be" ~ Psalm 15

Dr. Mark Platt  
Transitional Senior Pastor

Integrity is living by ethical and moral principles that come from a higher authority or code. We can't define integrity. Integrity is based on a consistent framework of external principles. Psalm 15 gives God's definition of integrity. It gives God's standard for the people who would follow Him. What kind of people does God want? What kind of people should we be? This psalm gives us \_\_\_\_\_ **requirements** for you to be God's person of integrity.

**I. Your integrity is about how you \_\_\_\_\_ (verse 2)**

1. Live a \_\_\_\_\_ life *"whose walk is blameless"*
2. Live a \_\_\_\_\_ life *"who does what is righteous"*

**II. Your integrity is about how you \_\_\_\_\_ (verses 2-3)**

1. Speak the truth \_\_\_\_\_ *"speaks the truth from his heart"*
2. Speak the truth \_\_\_\_\_ *"has no slander on his tongue"*

**III. Your integrity is about how you \_\_\_\_\_ (verses 3-4)**

1. Treat others \_\_\_\_\_ *"does his neighbor no wrong"*

2. Treat others \_\_\_\_\_ *"casts no slur on his fellowman"*

**IV. Your integrity is about how you choose \_\_\_\_\_ (verse 4)**

1. Detest the \_\_\_\_\_ - \_\_\_\_\_ *"despises a vile man"*
2. Honor the \_\_\_\_\_ - \_\_\_\_\_ *"honors those who fear the Lord"*
3. Keep your \_\_\_\_\_ *"keeps his oath even when it hurts"*

**V. Your integrity is about how you conduct your \_\_\_\_\_ (verse 5)**

1. Put \_\_\_\_\_ first *"lends his money without usury"*
2. Put \_\_\_\_\_ first *"does not accept a bribe"*

**Your Response:**

1. The psalmist uses the words "blameless" and "righteous" in verse 2. What are some areas of a God-follower's life that need to conform to God's requirement of blamelessness and righteousness?
2. If you over-heard your family, friends, or people at work talking about you, would integrity be the word that would come up? Why or why not? What needs to change?
3. Close your eyes for a few moments in two-way prayer. Ask God to show you where you are in terms of these two words. Listen for God's answers.
4. Based on what the Holy Spirit has told you about yourself. What changes do you need to make in your conduct, your speech, your interaction with good and evil, and with your handling of your money? What changes do you need to make in these areas of integrity?
