

MEAL MINISTRY

What is the Meal Ministry?

The River Rock Meal Ministry is a group of volunteers that provide meals to church or community members during times of need. The meal ministry team serves as part of River Rock's Care & Support Team.

Who do we serve?

We desire to provide meals to families and individuals in need or crisis; to be a blessing to families who are welcoming a new child into their home; to be a comfort in time of loss and grief; to be a community outreach; and to provide a tangible opportunity for church attendees to express their love and care for our church body and local community.

How does it work?

The Meal Ministry coordinator works closely with the River Rock office. Needs are made known through a direct request to the church office, phone, email or referral. Volunteers are then contacted by the meal coordinator through email. Meal team members are given a link to the Take Them a Meal website. Volunteers determine their availability to serve and sign up for desired time slots.

How do we serve?

We desire to provide at least 2 meals to families. At times, we will provide more or less depending on the needs of the family or individual. All coordination will be done by email via the Take Them a Meal website. All meals should be delivered in disposable containers.

Are there any guidelines?

The Meal Ministry coordinator works with the family or individual to accommodate for any specific dietary needs, food allergies, family size, etc. Meals are to be delivered directly to the recipient. Meals can be store bought, homemade, frozen - just about anything. Anything given in love will be appreciated.

How can I help?

The meal ministry is an excellent way to serve others, share Jesus, and make a difference in someone's life. The purpose is to help someone in need by providing a ready made meal. During times of need, it is an incredible blessing to see a friendly face and receive a meal.

In addition, we try to keep 10 meals (main course only) on hand in the church freezer. If you would like to help us keep the freezer stocked, we would like to ask that you commit to making one entrée a month for a year and bring them to church on a Sunday. Meals must be packaged securely, dated and labelled.
