

What are Small Groups?

Small Groups are THE place at River Valley to find and form great friendships, be a part of meaningful conversations

about things that matter, and take your 'next steps' of faith side by side with others who are doing the same thing.

Groups ideally have about 12 people or 5-6 couples allowing closer relationships. When groups grow, we look to create new ones to allow room for others to jump in and to maintain a size that allows for good friendships.

Check out the details inside. Ask any questions you need to. We believe Groups are a great way to find friendship and grow faith at River Valley!
