

# *Chamber Music Program*

## **Procedure and Placement**

- **All applicants, for both the Chamber Ensemble and small chamber groups, must meet the “Application Requirements” specified on the following link.**
- The small chamber groups (string quartet, piano trio) require an audition process that will take place between September 27-29, 2013 at RMC Studios.
- Applicants may apply simultaneously for both the Chamber Ensemble and the small chamber groups (please indicate on the application form).
- Small group applicants may request a particular date among the three audition dates offered, while no requests will be granted for a specific time slot.
- RMC will contact each applicant to confirm the receipt of each application. Audition dates and times will be notified subsequently after September 20.
- Each small group applicant will perform their audition repertoire before a panel of 2-5 judges for the duration of no longer than 15 minutes.
- On the last day of auditions, the jury panel will deliberate on the audition results to form small chamber groups based on level and performance style.
- The final results of the auditions and a list of all chamber groups and their assigned coaches will be e-mailed to each applicant by October 2, 2013.
