

rush

church will be launching a brand new ministry geared toward our young people.

It is vital that every age engage in the Gospel of Jesus in a tangible way.

rushhour will be a packed full hour of Music, Video, Drama, & Bible training for Ages 13 to 18. We have been planning and organizing behind the scenes to get ready for these important nights.

It will all start in the months of February and March 2012.

SO teens, put on those shoes which actually carry the Peace of the Gospel and join us in this pact filled hour. This is your chance to feel connected to the source and reason for life. Check it out and I am sure you will see that gathering in the Name of Jesus will make all the difference in the world starting with your world.
