Enjoy the warm weather!

This month:

Installation of Officers and delicious meal catered for all of us, with special entertainment. If you **haven't already signed up** for the meal – please contact Lynn to let her know – we will need an accurate count for the food to be ordered. (Lynn's contact information is listed under the Board on the left.)

NEW YEAR BEFORE US:

Bring your feedback and ideas to this meeting as we begin to look at what we loved this year and what we would rather not do again... and any other interesting fun things you may want to add to the agenda for next year! We will have the forms to fill in as we have in the past.
Looking forward to your feedback!

Officers needed for Next Year:

This year Lynn and Marge have agreed to stay on in their officer roles. We are very thankful to them. I do want to make sure everyone is aware that next year at this time there will be 4 of the 5 officer positions that will need to be filled. We can't rely on the same people to fill these positions each year. As a club we need to be thinking about how we want to proceed if there are no members that are willing or able to participate on the board. Food for thought as we bring this year's activities to a close this month, at our last meeting until next fall.
