The St Katharine Drexel Loving Hands, Loving Hearts charm is the perfect gift for your mother, sister, daughter, granddaughter or a special friend. This sterling silver charm was designed by the Drexel Ball Committee. It is being sold to help defray the cost of tickets for next year's Ball. We are also selling raffle tickets for our one pair of earrings with the same design as the charms.

We will be in the Narthex May 4 and 5. You may also use this order form to reserve your charms.
