OVER

San Gabriel Christian School is a ministry of the San Gabriel Union Church. It is a Christian school. Our goal is to offer a quality education that is fully integrated with historic, Biblical, evangelical Christianity. A copy of our Statement of Faith is included in the Parent Handbook.

All subjects are taught from the perspective of Biblical Christianity. All students participate in daily Bible classes which include a comprehensive Bible memorization program. All attend weekly chapel services led by staff members, students or other qualified Christian friends.

We believe that a student's success hinges upon the positive, active, enthusiastic support and involvement of the parents.

The San Gabriel Christian School family has always had and continues to have students of all racial and cultural backgrounds.

I wish to enroll my child in San Gabriel Christian School for these reasons: _____
_____

I will commit myself to wholehearted, positive cooperation with my child's teacher, that my child might receive the best education possible.

I will encourage obedience to the rules of the school. I understand the standards of San Gabriel Christian School do not tolerate profanity, obscenity in word or action, dishonor to God or the Word of God, nor disrespect to the personnel or students of the school.

I have received a copy of the Parent Handbook and agree to abide by all its policies, procedures and requirements. If my child is not able to comply with the standards of the school after reasonable effort has been made to discipline and/or assist in his or her academic adjustment, I agree to withdraw my child from school.

I have read this application and understand the purposes and objectives of San Gabriel Christian School. I agree that the continued enrollment of my child in this school is dependent on my parental support of the school, its staff, and its policies.

I will be punctual in my financial obligations to the school.

ENROLLMENT PROCEDURE:

1. Return this form to the school office promptly.
2. The date we receive the application is noted on this form.
3. All new students will be tested.
   a. Students should be performing at the National Average for their grade level (50th percentile or Stanine5)
   b. Students performing five months or more below grade level need to be considered very carefully. Either retention or tutoring needs to be considered.
4. You will be informed in advance of the testing date.
5. When considering enrollment of junior high students, a personal interview with the principal is required.
6. Establishing order of admission:
   a. Applications of all eligible students in each grade are placed in rank order according to the date received in our office. Classes are filled, then a waiting list is established.
   b. Exceptions:
      1) A family with one or more children in the school and who have an additional child to enroll (for example, a kindergartner) would be given preference over a new family.
      2) Special consideration would be given in instances where a family with two eligible children finds one has been accepted and one has been placed on a waiting list.
7. Children entering Kindergarten should be five years old by DECEMBER 1, and children entering Kindergarten-Prep must be five years old by January 31.
