

Our visionary leaders established the Foundation of San Marino Community Church in 1958 because they believed in the Church's Christian mission and ministry to the community. Over half a century later, the Foundation continues to operate to ensure that this good work will continue for many generations.

THE FOUNDATION OF SAN MARINO COMMUNITY CHURCH

For where your treasure is, there your heart will be also.

Luke 12:34

CREATING A
LEGACY FOR

San Marino
community church

THE FOUNDATION OF THE SAN MARINO COMMUNITY CHURCH

- believes that, in response to God's blessings, members give back through financial support
- provides church members the opportunity to leave a legacy, and allows members to designate how those donated funds will be used
- creates current and future giving opportunities
- is the steward of the church's endowment funds

"Our family has benefitted so much from SMCC. We have each been directors of the Foundation and officers of the church and our children have been in church programs from toddlers to teachers. We know our annual pledge to the church is essential but not enough. Through anniversary gifts and the Cornerstone Society we help the Foundation promote long-term sustainability in church programs, facility care and mission efforts."

-Chris and Laurie Mitchell

"We are donors to the Foundation because of our interest in outreach, Christian education and campus maintenance. We feel that gifts to the Foundation will provide a legacy for future generations."
-Randy and Mary Heartfield

Consisting of donated funds that are held and invested in perpetuity, the Foundation disburses funds from the endowment annually to support all facets of the Church's community, including education programs, children and adult ministries, music ministries, facility care and mission grants. While the church's operating budget covers daily operating expenses, it cannot absorb all necessary long-term capital improvements and special projects, and has only limited capacity for weathering difficult economic times. This is why the Foundation is so important.

GIFTS TO THE FOUNDATION

The Foundation of San Marino Community Church actively seeks and gratefully receives gifts of all sizes. Gifts to the Foundation may be designated to support one of the Foundation's pooled endowment funds, or may be directed by the Board of the Foundation. Usually funds are divided between the Mission Grants (40%) and Facility Care (60%) funds. Donors can create a named endowment fund with a minimum gift of \$25,000.

In addition to gifts of cash or appreciated securities, donors can also choose to name the Foundation in their will, trust agreement, life insurance policy or IRA. Individuals may consider a charitable gift annuity as well—an irrevocable gift that provides fixed income during the donor's lifetime.

The Foundation's funds are managed by a Board of Directors, consisting of nine voting members, in addition to the Senior Pastor, who serves as an ex-officio member.

THE CORNERSTONE SOCIETY

The Cornerstone Society recognizes those who have included the Foundation of San Marino Community Church in their estate plans. If you wish to be included in the Cornerstone Society, please notify the Foundation or church office.

"Our hope is that by becoming members of the Cornerstone Society we will participate in the legacy of San Marino Community Church, helping families raise their children in a Christ centered community of faith."

-Tim and Lisa Sloan

All donors to the Foundation of San Marino Community Church and members of the Cornerstone Society are recognized in the Foundation's yearly report which is published with the Annual Report of the congregation.
