Standing at the Cross Roads - DVD Part 1 Ray Vander Laan
6:00 pm Tonight- Rm 401
We begin Sunday evening SOI presentations this evening. We’ll see three brief but impact-filled DVD selections from Ray Vander Lann’s series “That the World May Know” sponsored by Focus on the Family. They include (1) Standing at the Crossroads, (2) Wet Feet and (3) First Fruits. All are filmed on location in Israel and the Middle East where Bible events actually took place. Each weaves together historical, cultural, and geographical contexts to reveal keen insights into how people in biblical times understood God and Jesus’ teaching. And most important: they reveal even more reasons to believe the Bible.

SONS OF ISSACHAR . . .

Understanding Our Times from a Biblical Worldview

Flash! As a special just obtained presentation, this Tuesday’s program will include:
“SHEMITAH EXPOSED: Financial Crisis Planned For September 2015”

This showing is about how the financial implications of Jonathan Cahn’s “Shemitah Unlocked” shown at SOI July 7 of this year is contrasted with what secular economics predicts. The presenter, veteran financial commentator and author Jeff Berwick, claims, with much circumstantial but nonetheless compelling evidence, that a major financial event, guaranteed to bring changes to how we live is close. He does not (in his own words) have a religious focus. But he then proceeds to detail Jonathan Cahn’s findings using his own secular financial analysis. Dave Upham will be with us for this hour and will lead a discussion on the implications what as Christians we can do. This is not a “scare” presentation but rather a sober look at what surely is coming soon. As soon as scheduling permits, we will have more on how we as Christians can stand for Christ and spread the gospel even during times of great difficulty.

This is a time to watch and pray for the awakening of the Church of Jesus Christ, world-wide, to take a stand against enemy resistance. The Lord is raising an army anointed with spiritual authority to minister grace in the midst of chaos of human sin. Let’s determine to be part of His building His Church in the midst of the world’s foolishness and unbelief. Jesus said that He would build His church and that the gates of hell would not prevail against it. Hallelujah! What a privilege to be involved with the Lord by means of prayer. "For the earth will be filled with the knowledge of the glory of the Lord as the waters cover the sea." Hab. 2:14. How Great Thou Art!

Excerpted from Tom White’s "Believer's Guide to Spiritual Warfare".

We have invited Tom White to come and lead us into a deeper understanding of prayer and spiritual warfare.

Founder and President of Frontline Ministries Tom White conducts an international ministry catalyzing and developing citywide gospel movements, and teaching on the topics of spiritual formation, unity in the Body of Christ and spiritual warfare. Tom has emerged as a recognized innovator and practitioner in city transformation—building collaborative partnerships among kingdom leaders to more effectively reach their communities. He holds degrees from San Diego State University (B.A. Sociology, Minor in Religious Studies), and Asbury Theological Seminary (M.A. Theology).

In 1990, he published *The Believer’s Guide to Spiritual Warfare* (Regal), a best selling and practical work for dealing with spiritual warfare issues. Tom upgraded the content of The Believers Guide in 2011, adding a substantive chapter on dealing with warfare in a city context. He has also authored: *Breaking Strongholds: How Spiritual Warfare Sets Captives Free & City Wide Prayer Movements: One Church, Many Congregations.*

Tom and his wife Terri live in Corvallis, Oregon, giving leadership to the “Church of the Valley”, a two-decade old Pastors prayer movement of John 17 unity, prayer and kingdom collaboration in Oregon’s mid-Willamette Valley.
