

Introducing Our Musician for the Evening

Andrei
Tone

Andrei Tone is a Worship Leader at Christ Church, Tulsa Oklahoma. Andrei was born and raised in Romania by Christian parents and with six siblings, all of whom are involved in music or ministry in Europe and the United States. At the age of seven, he began formal Music Academy instruction in violin and piano, also learning to play guitar, bass guitar, mandolin and drums.

At fifteen years old, Andrei felt the presence of the Holy Spirit and surrendered his life to Jesus. He immediately began teaching and conducting the local church orchestra in Bucharest where his father serves as Pastor. He also served as Worship Leader and Youth Pastor during secondary school and seminary.

Following his father's example as a traveling evangelist, Andrei has been fortunate to share the word of God through music, testimony and preaching throughout Romania and much of Europe. Andrei responded to God's call to further his education in the United States. While a Theology and Music Major at Oral Roberts University, Andrei also earned an Associate's Degree in Worship Leadership through Victory Bible College in Tulsa and served as Minister of Music at Beaver Street Baptist Church in Jenks, Oklahoma.
